COST COMPARISON

OF

TRADITIONAL VERSUS CONTEMPORARY DESIGN FURNISHINGS

FOR

LOUNGE AND RECEPTION AREAS - BUILDING 213

SUMMARY:

Total cost for Traditional Design Furnishings - $14,390.99

Total cost of Contemporary Design Furnishings - $12,725.20

(NOTE: The above amounts were arrived at by using the same number of pieces in both the Traditional and Contemporary design. However, the wide difference in the two designs makes it impractical to match exactly item for item, for example, a Traditional lounge chair usually has arms where as the Contemporary design is without arms.)

COST BREAKDOWN FOR TYPICAL PIECES IN BOTH TRADITIONAL AND CONTEMPORARY DESIGN:

COST COMPARISON (Cont'd):

desks, chairs and credenzas have not yet been developed. The unit prices shown are the average paid and procurement thereof was effected on a competitive basis.

The office furniture, both regular and executive, consisting of desks, chairs, credenzas, etc., used throughout the building, are standard government specifications of Contemporary design and were procured from the General Services Administration or under established Federal Supply Service Contracts.
